Old Business

Views and eBlast Communications – Discussed the need for articles to be written for View and for the eBlasts for July and August. Rob questioned the due date for the View, we decided Rob would write article for view with electronic vote information and instructions and get it edited and back to the View by July 15th or so. Donn would write a paragraph to go out in eblast.

New Business

Revise 2025 Ballot/Instructions- We discussed the electronic voting and how it was going to be made available to homeowners. Rob stated it would be sent out with a link to emails and phones, Donn thought there was going to be directions in the voter booklet on where to go to vote electronically. Rob is going to verify this with Unilect. Rob discussed the need for getting the voter guide booklet and getting all the editing done as soon as possible so we only needed to add the candidates and budget items as the come available after opening candidate applications in September.

- 1) We have last year's booklet to edit.
- 2) Linda Bradley is working on voting instructions.
- 3) Acceptance letter is done for 2025

4) Find an editable copy of voter pamphlet from last AGM, Michael stated he thought he had one saved.
