Policy: Quiet Pool Policy

Policy #: Policy 2018.02

Date: August 1, 2018

Policy:

The formerly identified "Adult Pool" is now designated as the "Quiet Pool" for the enjoyment of all SVCA members.

The Quiet Pool shall be operated as a limited use pool as defined by WAC 246-260-131(6)(e). No lifeguards are on duty at the Quiet Pool.

Maximum occupancy of the Quiet Pool is 30. Pool occupancy is set at 25 adults and 5 children.

No activities shall be conducted at the Quiet Pool as to put the pool into the classification of a general use pool.

Alcohol may be consumed at this pool by persons of legal age. No alcohol or food in the pool.

The Quiet Pool is for the quiet enjoyment of all SV members. There shall be no yelling, running, splashing, or water games; lawn and non-pool activities must comply with the same rules.

Child Safety Requirements:

1. Due to lack of lifeguards, all children under the age of 18 (minor) shall be accompanied by an authorized adult* to ensure the safety of the minor around water hazards.
2. All children under the age of 18 must have passed a Swimmer Test given by a SVCA Lifeguard and be wearing a bracelet issued that day.
3. When a child twelve years of age or less is using the pool, an authorized adult must always accompany the child and be at the pool or pool deck when the child uses the facility.
4. If an individual between thirteen years of age and seventeen years of age is using the pool, at least two other people must be at the pool facility.
5. There is a maximum of two children that one adult may bring to the pool.
6. Due to not having Lifeguards that monitor the pool, including the water for hazardous debris, non-potty-trained children **may not** use the Quiet Pool.
7. All children 7 and under, must have an adult in the water supervising them at-all-times.

Violation of the Quiet Pool rules shall be $25.00 for the first offense plus suspension of pool privileges for 30 days, with doubling of the monetary fine, and 30-day suspension, for each subsequent violation.
