

LRPC Parks minuetts 2/8/2016

Agenda:

1. Assign each member a park to tour and update 2012 LRPC parks assessments on Parks condition, issues, vision, needs. To be completed by next month for review followed by trails, and buildings in the coming meetings.
 - RCW on creation of special parks district was given to the committee. Only a brief over view of what is involved was available. Each member was asked to review themselves online for more discussion at next meeting, and contacting other created parks districts for more information.

Meeting adjourned.
