**D**id you know that Sudden Valley was once home to a beautiful, covered bridge? Although Sudden Valley's covered bridge was built in 1971, it was a traditional timber-truss bridge with wood decking and siding. Wooden bridges are covered to extend their lifespan by protecting the wooden structural members from the weather. While covered bridges are known to last upwards of 100 years, Sudden Valley's covered bridge succumbed to rot in just 18 short years. The covered bridge was closed in 1988 as management and community members called for preserving

## DOR ruling withdrawn against Sudden Valley

SUDDEN VALLEY — On Feb. 28, the Department of Revenue (DOR) withdrew the letter ruling issued against the Sudden Valley Community Association (SVCA) regarding the matter of any unclaimed transfer fee refunds.

In late October 2022, the Association became aware through social media posts of a binding letter ruling that had been issued against the SVCA by the DOR.

The ruling was issued in response to an inquiry by a current board director on the question of whether unreturned fees identified as part of the transfer fee refund program would have to be returned to the state as unclaimed funds after a period of three years.

The Association's general counsel, acting on behalf of the Association, requested the DOR withdraw the ruling as void and unenforceable as the Association did not authorize any of its representatives to request the ruling, and the individual who requested the ruling did so without the knowledge or approval of the Association.

The director's inquiry also lacked background as to why legal counsel had advised the additional transfer fee policy be rescinded or the subsequent opinion written regarding any unclaimed transfer fees remaining at the expiration of the refund program.

The transfer fee refund program was implemented in October 2022 after the SVCA Board of Directors, under the advisement of SVCA's legal counsel, voted unanimously to rescind Policy 2016-1 - Capital Holdings Transfer Fee.

The rescinded 2016 policy imposed an additional transfer fee of one-quarter of 1% of the sale price on all home/lot sales within Sudden Valley.

The fee was deemed inappropriate and a refund program was implemented to allow a buyer or seller who paid the additional transfer fee to claim a refund.

## Unilect contract approved, website improvements coming

By Sarah McCauley  
 Staff Reporter

SUDDEN VALLEY — In preparation for the Sudden Valley Community Association's election this fall, the SVCA Board of Directors approved a contract with Unilect.

The contract was negotiated during the Feb. 9 general meeting.

It then came before the board at the

March 9 meeting with the proposed changes.

The contract is the same as in previous years, with the exception of the agreed upon dates which can be viewed in the meeting packet through the Sudden Valley Community Association website.

For this year's election, ballots are scheduled to be mailed to members on Sept. 27 and the deadline for receipt of

mailed ballots is noon Nov. 3.

SVCA's website will be receiving long-awaited improvements after the board approved funding to begin the improvements. In 2022, \$10,483 was set aside for improvements to the site to improve user experience, but the work was not completed. Recently, the website has been experiencing "major issues with its foundational infrastructure," according to a summary of the plan.

SVCA Manager Jo Anne Jensen said the request for funding is open-ended because it's not possible to know the ancillary costs that would be incurred to review and reorganize the content.

Jensen gave the example of needing to hire temporary labor to upload, rename, and relink documents from one of the three sites where content is currently stored.

The new design is similar to the current one, but simplifies the layout and modernizes functional elements. Jensen said the

communications team has not finalized a design, but the work has provided enough direction to move forward.

Other takeaways from the March SVCA Board of Directors Meetings:

- Board Member Sonia Voldt reminded everyone that 2023 is the 50th Anniversary of Sudden Valley's incorporation. Voldt also said that there are still openings for committees and people should consider joining by contacting the main office, or signing up through the website.

- Jensen offered a reminder to the community that culvert cleaning is happening and community members may notice construction crews at work.

"Please be aware that culvert cleaning and inspection work is ongoing," Jensen said.

- Jensen also said the sauna in the adult center is closed in February for evaluation and repair. The manager added that mem-

# Long distance connectivity comes to Sudden Valley trails

By Nancy Alyanak  
SVCA Member

SUDDEN VALLEY — When Whatcom County completes its planned Lookout Mountain trail program, Sudden Valley will have a direct connection to two National Scenic Trails.

A connection between the Lookout Mountain trail system and the 1200-mile Pacific Northwest Trail (PNT) is part of the County's park development plan.

Hikers will be able to walk out of their door, enter the Lookout Mountain trails, hike to Squires Lake Park just north of Alger and pick up the PNT.

Turn east on the PNT and go to Glacier National Park in Montana. Turn west on the PNT and go to the Pacific Ocean and Olympic National Park.

If more hiking is in your plans, turn south on the Pacific Crest Trail (PCT) where the two trails

intersect east of Ross Lake, then continue hiking to California.

For PNT maps, see [www.pnt.org](http://www.pnt.org).

For a day hike, try the PNT trails on Blanchard Mountain, located four miles west of Alger. Blanchard Mountain is well known for Samish Overlook, Oyster Dome, Lily Lake and Lizard Lake.

Last year, the PNT gained a new attraction: a beautiful bench on North Butte Overlook. The

**North Butte Overlook, Blanchard Mountain: A part of Joan and Duane's bench is visible in this North Butte Overlook photograph shot on a March 15 Skagit Audubon hike. That day there was more snow on Blanchard than hikers expected.** (Photo courtesy Neil O'Hara)

bench was installed by the Skagit Whatcom Island Trail Maintenance Organization (SWITMO) volunteers.

SWITMO volunteers are responsible for maintaining and building PNT trails across the three counties. The bench commemorates SWITMO found-

ers Joan and Duane Melcher. Strong advocates for the PNT, the Melchers are past PNT Association presidents.

Their work succeeded when the PNT received the National Scenic Trail designation through an act of congress.

Joan also started the Skagit

Audubon Hiking group. Information about their weekly hikes is published in the Skagit Flyer, the newsletter of the Skagit Audubon Society. See [www.skagitaudubon.org/newsletter](http://www.skagitaudubon.org/newsletter).

## Community Land Trusts with KulshanCLT

Kulshan Community Land Trust (KulshanCLT) will host the Northwest Community Land Trust Coalition (NWCLTC) gathering, May 2-4, at Semiahmoo Resort in Blaine.

As one of the larger regional community land trust events in the country, the KulshanCLT event will attract 130-150 affordable housing participants from Alaska, Washington, Oregon, Idaho and Montana, to Blaine.

The event will feature educational sessions in a beautiful seaside setting and the famous

NWCLTC Bocce Ball Tournament. This event is a not-to-miss opportunity for people in the field as well as the public to learn more about the community land trust (CLT) model and permanently affordable homeownership.

Sessions will include history of CLTs; disaster preparedness and planning; staffing, growth and succession planning; a lenders' panel; and storytelling.

This is an in-person event with a hybrid format so that people can also join virtually.

Learn more at [kulshanclt.org](http://kulshanclt.org).

# Plans and updates: Planning for summer days

By JoAnne Jensen  
Sudden Valley GM

March's focus was getting facilities and programs ready for the warmer weather. As the days get warmer, more and more people start to take advantage of the golf course, parks, and trails, and the opening days for the marina and pools get closer.

Snowplows have been put away for the season and the mowers are being tuned up. Before we completely turn our attention to the new season, however, we are taking time to discuss what worked well and what could be improved for next year's snow removal plan.

**Update on culvert cleaning and the 10-year roads plan**

Work on cleaning SVCA's many culverts is going well and is slightly ahead of schedule. Inspections of the culverts and roads is also progressing, although the variable weather has caused some challenges.

If you are aware of any areas with standing water issues, contact the administrative office at office@SuddenValley.com or 360-734-6430.

**Department Updates Administration**

**Activity Summary**

- Continued work on network reorganization to prepare for transition to cloud.
- Kicked off project to reorganize and update SVCA's website, SuddenValley.com.

- Host final Winter Series event.
- Communicate spring turfcare

maintenance plan to golf members.

**Turf Care**

**Activity Summary**

- Wrapped up fall/winter projects.
- Golf course sand topdressing continues up to opening day, then tapers back to a more focused need throughout the course, working around play.
- All putting greens have had a pre-season fertility application of fertilizer and Cal/Mag to initiate spring green-up.
- Our focus going forward is toward conditioning rather than extensive project work.

**Successes**

- High traffic areas and putting green surrounds sand topdressed.
- Golf irrigation system pressurized for the season.
- No. 15 hillside tee box complex clean-up project completed.
- Volunteer assistance with refinishing the golf course water cooler huts substantially completed. Of the four we have, two completed and two left to re-stain.

**Planned Work**

- Tee box aerating, overseeding, bulk calcium and sand topdressing application underway.
- Troubleshooting irrigation system electrical. Irrigation heads on No. 1 and No. 15 not communicating with computer central.
- Continue with sprinkler head and drainage catch basin clearing.
- Planning to identify prospective crew members for seasonal work.

bers have come forward and said they have seen community members taking food into the sauna, which is not allowed.

"Sudden Valley is a very big place and has many assets to maintain," she said. "While we conduct frequent checks on all facilities, and perform custodial tasks on a regular schedule, carelessness and malicious damage add significantly to our workload. Please help us minimize this by letting administration or security know if you see someone damaging property."

Meanwhile, the sauna in the recreation center is still fully operational, Jensen said.

### What to do about speeding into SV entrance

Editor,

I recently have seen multiple daily accounts of people speeding into the Sudden Valley Lake Louise entrance on Marigold Drive.

What concerns me the most is where the Lake Louise trail entrance is by the spa/condo complex parking lots. There is no stop sign or speed bumps.

I have seen on daily occasions people walking their dogs just trying to cross Marigold to get to the path with cars speeding and near misses.

I'm not sure how we can address this because it is a safety concern and this is a residential community with kids at play too.

There should be measures in place regarding this safety concern; to either have a stop sign installed, cross walk added, speed bumps, or having in place a speeding radar police machine on Marigold Drive.

Thank you for your time regarding this safety concern.

## Help us celebrate Sudden Valley's golden anniversary

In the coming months, the public has an opportunity to help contribute to Sudden Valley's history — literally.

The Sudden Valley Community Association (SVCA) is putting together a commemorative book to celebrate the 50th Anniversary of Sudden Valley's incorporation — and we need your help.

The SVCA is looking for interesting and historical stories and photos of Sudden Valley over the years to be included in this special book dedicated to our community's 50th anniversary celebration.

The commemorative photo history book will be available for pre-order on May 1, with delivery in early August.

Please submit historical photos and interesting stories for consideration to use in the commemorative book and in upcoming editions of the *Sudden Valley Views*.

We're seeking slice-of-life photos and stories to help us illustrate the 'feel' of the community in certain eras.

Electronic copies of historical photos that have been scanned may be emailed to Bill Helm, Sudden Valley Views Editor at bill@lyndentribune.com. Please include caption information for each

photo submitted for consideration: Identify the people in the picture, if applicable, as well as provide the date, location and any other details.

Please also include the name of the person who took the photo and the name and contact information of the person submitting the pictures in case we need to reach you.

If you don't have an ability to scan the original photo (photos of photos can be problematic), or if you prefer, submissions may also be brought to the Lynden Tribune's office at 113 Sixth St. We will scan the photo and return the originals to you.

While photos throughout our community's history are welcome, photos that depict Sudden Valley's milestones from incorporation through today are particularly sought for possible inclusion.

The deadline to submit photos is June 1.

The Sudden Valley Views is also presenting the community with a second keepsake in the form of a free commemorative edition of the Views - filled with stories and features on Sudden Valley's history - which will be printed and distributed to all members in August.

Additional copies will be available at the 50th Anniversary festivities in August.

## What will you do this Earth day?

Remember that first Earth Day? I do. It was 53 years ago this month that Earth Day was first observed.

On April 22, 1970, led by U.S. Sen. Gaylord Nelson, an estimated 20 million people nationwide attended the inaugural events at tens of thousands of sites across the nation.

Earth Day was created to raise both public and political awareness of environmental issues and to inspire action at both the local and national level.

At the 10-year anniversary of that Earth Day, Sen. Nelson said that his "primary objective ... was to show the political leadership of the Nation that there was broad and deep support for the environmental

movement."

Why was such an event so needed? Because at the time (believe it or not, for those of you younger folks), there were few Federal laws designed to protect you and our environment from the tremendous amount of pollution spewing into our air and waters every day.

Rivers across the nation were thick and toxic.

Raw sewage, pulp mill and mining waste products, oil and dangerous chemicals were dumped right into our waters. Cuyahoga River in Ohio caught fire numerous times. Lake Eyrie was dying.

For a quick and easy review of the state-of-our-nation, re-read *The Lorax*. It used

to include the line "I hear things are just as bad in Lake Eyrie," but that line has been changed now that we've cleaned things up.

American people spoke up, and the folks in Washington D.C. listened. Soon after Earth Day in 1970, our legislature passed numerous acts that continue to protect you today, the Clean Air Act and the Clean Water Act just two among them. States and local jurisdictions followed suit.

The first Earth Day made a difference. Today Earth Day recognition events continue to provide opportunities for communities to celebrate, to learn and to act.

What will you do this Earth Day?

## Sudden Valley Clean Green Program

By Mike Brock  
SVCA Maintenance Superintendent

SUDDEN VALLEY — Sudden Valley Community Association will host two Clean Green events in April.

These events provide an opportunity for residents to dispose of chippable wood debris free of charge.

The drop-off site is located within the Gate 5 Overflow Parking Area on Lake Louise Road,

across from Gate 5.

Material must be less than six inches in diameter and be chip-pable. Any non-chippable material such as leaves, grass clippings, and yard compost will not be accepted.

This service is limited to residents only, no commercial drop-off allowed. To take advantage of this program, residents can bring their chippable material from 9 a.m. until 3 p.m. April 1 or April 15.

## What can you do for the Earth?

## First responders save life at Mt. Baker Ski Area

Cardiac arrest survivor Bill Bishop, 63, recently met the many rescuers who saved his life following a sudden cardiac arrest at the Mt. Baker Ski area this past February.

According to a March 24 press release from Whatcom County EMS, Bill Bishop was seen skiing a particularly challenging and technical line at the Mt. Baker Ski Area and subsequently was found unconscious and unresponsive lower down the run.

Fortunately, a community team of professional rescuers, both on and off-duty were able

to extricate, resuscitate, stabilize and evacuate Bishop to the hospital.

More than 21 medical responders contributed to Bishop's survival that day. While complicated by technical back-country terrain and significant distance to a medical facility, this success was attributed to high-performance CPR, immediate airway control and continued defibrillation by experienced rescuers at the ski area, allowing Bishop to arrive alive at the hospital.

The Mt. Baker Ski Patrol, Aid Room staff and off-duty health-

care professionals who responded are part of the larger emergency medical services and health care community that did not hesitate to help. "This community effort and willingness to respond in a difficult situation are major contributors to this success," said Dr. Marvin Wayne, Whatcom EMS Medical Program Director.

**By Lee Langdon**  
SVCA Member

SUDDEN VALLEY — The Valley Arts Group will celebrate two featured artists, Michael Davolio and Kristy Carrico-Smith, at its quarterly reception, Saturday April 15 from 4-6 p.m. Everyone is welcome to attend.

The reception will be held in the Community Center/Barn, where Davolio's photographs will be on display. Carrico-Smith's oil paintings will be on display nearby at El Agave.

If you like lighthouses, barns and seashores, then check out Davolio's display. If the colors and richness of the Pacific Northwest grab your heart, Carrico-Smith's works will inspire you.

# Sudden Valley to host Firewise program beginning April 24

**By Mike Brock**  
SVCA Maintenance Superintendent

Valley Community Association will host a Firewise program starting on April 24.

The purpose of a Firewise pro-

gram is to promote awareness of homeowners to the dangers of fires from vegetation surrounding their home and other properties.

One hazard that is prevalent within Sudden Valley is the tree limbs that have fallen naturally or during windstorms. These limbs are referred to in a Firewise program as ground fuels.

Because large limbs are difficult to remove, Sudden Valley Community Association assists homeowners by providing a free service whereby residents of the Association can dispose of the tree limbs that have broken from trees on or surrounding their property. This Firewise service is provided by

SVCA's Maintenance Department during a published scheduled time frame.

Residents can take advantage of this program by having their tree branches placed in an accessible pile next to the roadway prior to the scheduled pickup date for their area.

Piles of branches placed by the roadside after the scheduled pickup time will not be picked up and will be the property owners' responsibility.

**Scope of service**

- Service is limited to residents; no commercial support is available.
- Branches must be plied next to the road and easily accessible to the Firewise crew. Do not block ditches with branches.
- Pickup is limited to tree branches that have naturally broken from a tree. Services do not include limbs that are cut from an established tree.
- The maximum diameter of the limb is six inches.

• There is no limit to the length of the limb.

• The height of a pile of limbs should be no more than five feet tall.

• Vegetation such as brush, lawn waste, tree roots, bagged leaves, etc. will not be picked up as these items will jam/plug equipment. If these items are left alongside the roadway, they will be the property owners' responsibility to dispose of.

• Questions pertaining to the Sudden Valley Community Association's Firewise program can be directed to the maintenance superintendent by calling (360) 778-2223.

**Firewise 2023 schedule**

- April 24 at Gate 5 (Maintenance zones 51-53)
- May 1 at Gate 3 (Maintenance zones 3-6)
- May 8 at Gates 9 & 13 (Maintenance zones 1-2)
- May 15 at Gate 1 (Maintenance zones 10-15)
- May 22 at Gate 2 (Maintenance zones 20-26)

# Amateur radio club inviting new members

By Sudden Valley Amateur Radio Club SVCA Members

SUDDEN VALLEY — You might ask, what is ham radio? It is a non-commercial, low-power, two-way radio for public use.

Ham radio has a rich history. It began in the 1890s and was initially termed wireless telegraphy. By 1910, there was an amateur radio craze that led to radio interference problems.

The Radio Act of 1912 assigned amateur radio to short wave — 200 meter wavelength or shorter — and established licensing requirements. A few years later, the American Radio Relay League (ARRL) was founded to represent the interests of amateur radio operators.

Ham radio covers a huge range of activities, from chatting (also called rag chewing) to hams in your neighborhood to contacting hams on another continent. If you really want to get into ham radio, you can bounce signals off the moon, take up contests where you contact as many stations as possible in an allotted timeframe, or even contact the International Space Station.

Not only is it a hobby, but ham radio is also an important way to communicate. In an emergency, it may be the only one that works. Phone service and internet may both be overloaded or fail com-

pletely. Walkie-talkie radios have very short range and don't work well between buildings.

However, even a \$50 hand-held ham radio has a range of several miles under most conditions and is much more likely to give a clear signal.

Ham operators all over Sudden Valley contact each other whenever it snows, or during power outages, or to get answers to questions, or to just rag chew.

In a major emergency the 911 service may be swamped with calls, but our hams could talk to each other and to an operator at a central location, usually the fire station, who can relay messages to and from the emergency command center for Whatcom County.

The Sudden Valley Amateur Radio Club (SVARC) practices regularly, so that we know the system is working well. However, there are large areas in the valley that have few or no ham operators. For

those areas, we wouldn't be able to get the vital information needed to mount an effective response.

Sudden Valley could really use more ham radio operators. What is required to operate a ham radio? An FCC license, which means that you have to study and pass a test. (No, you don't have to learn Morse code.)

The SVARC is currently considering holding a technician level training course within the next six months in Sudden Valley

Once you have a license, you can be on the air and have fun in our radio club where you can meet enthusiasts with all levels of technical ability.

After getting the technician license, you can go on to higher-grade licenses (general and extra) and radios that can span continents, or you can become part of a local network regularly contacting other hams in the area, or get involved in the local emergency services network.

There are endless possibilities once you have your license.

The technician class is held at the South Whatcom Fire Station NO. 22 and involves 18 hours of classroom time held over six evening sessions spanning several weeks. It is followed by an officiated exam.

The class is free and the recommended book, ARRL's Tech Q&A, costs less than \$20. It costs \$15 to take the test. It's a bargain.

The Sudden Valley Amateur Radio Club meets the first Monday of the month at 6:30 p.m. at the fire station. Anyone is welcome to come visit who may be interested in ham radio. (Courtesy Sudden Valley Amateur Radio Club)

It takes a lot of effort and people power to put on the technician class, so we want to be sure there is enough interest to do so. If you are interested in taking the technician class, email techclass2023@yahoo.com. At the end of the class, we plan to do a few hand-held radio giveaways (details to follow).

If you are already a ham operator, you are invited to join the club netchecks every Sunday evening

at 7 p.m., first on 147.520 MHz simplex, then, following on the SVARC repeater at 442.750.

Also, the SVARC meets the first Monday of the month at 6:30 p.m. at the fire station. Anyone is welcome to come visit who may be interested in ham radio.

You can visit us on our website at suddenvalleync.com and on Facebook at Sudden Valley Amateur Radio Club.

# Barn 8 tennis courts to receive repairs

By Sarah McCauley Staff Reporter

SUDDEN VALLEY — The tennis courts near the main pool at Barn 8 are on their way to receiving much needed repairs after the board approved funding for design and permitting.

The process is anticipated to take about five months.

Construction is proposed for summer during the Lake Whatcom Watershed construction window.

According to a summary of the plan, SVCA's 2023 budget includes amounts to make these repairs in the combined amount of \$189,925.

Board Member Asia Marie Andrade asked why this court was selected for repairs as opposed to the one by marina as she was under the impression that one was in worse shape.

Jensen explained that this project is part of a series of

projects to "rejuvenate the core there in the rec corridor" and serve as a way to determine how to proceed.

"We're not actually sure the courts are getting much use at all, so by repairing this court the intent is to track if it's being used so we can evaluate if it's a reasonable investment to do something similar for the marina courts because they're equally in bad shape," Jensen said.

The marina docks are set to be replaced, bringing another improvement to the community.

The board approved funding for preliminary design and engineer's estimate to replace the docks.

The docks are scheduled to be replaced in 2027, and the replacement cost is estimated to be \$187,177.

"SVCA proposes to complete a preliminary design with an engineer's estimate to ensure SVCA is adequately budgeting for the dock replacements," according to an analysis of the proposal.

The floating docks accommodate 88 boat slips used mostly during the summer.

**Grant to fund real-time traffic communications system for drivers crossing US-Canada border**

WASHINGTON, D.C. — March 23, U.S. Senators Maria Cantwell (D-WA) and Patty Murray (D-WA) announced that the Whatcom Council of Governments will receive a \$458,000 grant for the first phase of a binational project to replace the antiquated wait time communications system at the

U.S.-Canada border.

The grant was awarded by the U.S. Department of Transportation's Strengthening Mobility and Revolutionizing Transportation (SMART) discretionary grant program.

The SMART program was established under the Biden-Harris Infrastructure Law (BIL) to fund deployment of advanced smart community technologies and systems in order to improve transportation efficiency and safety.

Cantwell said that each year, more than 4.7 million personal vehicles and 500,000 freight trucks rely on the ports-of-entry in Whatcom County to cross the U.S.-Canada border.

"This federal grant will help replace that system with real-time, sensor-based technology that keeps drivers in the loop and allows them to choose their optimal border crossing times," Sen. Cantwell said.

The Whatcom Council of Governments is working with the Washington State Department of

Transportation (WSDOT) and the BC Ministry of Transportation & Infrastructure (BCMOTI) to replace the public wait time communication system at all four Whatcom County/Lower Mainland BC land ports-of-entry: Peace Arch, Pacific Highway, Lynden, and Sumas.

The current system uses 20-year-old technology and isn't fully accurate. It often miscalculates vehicles, and the fixed cameras can't be moved when border authorities change how lanes are used.

The new system will use the latest sensor-based technology to report real-time wait times at all four crossings, in both directions, for commercial and personal vehicles. Drivers will be able to use this information to anticipate wait times and schedule their optimal crossing window.

The grant funds the planning phase, when WSDOT and BCMOTI will work together to determine the best technology solution. The agencies hope to launch the new system in 2025.

## Bridge

Continued from 1

the existing structure.

There was even a bid to build a concrete bridge inside of the existing structure.

However, Roger G. Young, Inc., Redmond, noted in a letter attached to his bid that "to build a new concrete bridge inside of an existing log bridge is an expensive and risky undertaking."

The SVCA Board members directed management to solicit more bids, advertising the project in trade journals and newspapers from ar-

eas between Blaine and Portland.

Sadly, preservation efforts were too costly, and in early 1989, the Board made the tough decision to demolish the bridge.

# Take stock, clean up, get ready for spring

Spring brings longer days and warmer temperatures that draw us outside, a welcome change after months spent keeping warm inside.

This natural change in the seasons is a great motivator to take stock, clean up, and get ready to enjoy the natural beauty of Sudden Valley.

The Association's Rules and Regulations (R&Rs) are clear about the requirement that each

property is maintained to "ensure the health, safety, welfare, and/or tranquility of the residents of Sudden Valley."

Specifically, each property owner is required to keep their property in clean condition, free of trash, unused building materials, combustible brush and materials that would tend to attract vermin or rodents and other debris. Each property owner is also responsible for the removal

and cleanup of dead or hazardous trees, brush or limbs on their property, and lots and common areas must be kept clear of rubbish, trash, garbage, brush piles, vermin or rodent attracting materials and other waste.

To help residents with their spring cleaning, SVCA has scheduled two clean green events in April, and will begin our annual Firewise program in May.

These events are described in

more detail in this issue of the Views and you can call the Administrative Office at 360-734-6430 if you have any questions.

Property owners are required to bring their properties into compliance upon notification by SVCA of a violation. If the violations are not addressed, fines may be assessed.

To learn more about the R&Rs, visit [SuddenValley.com/ResidentResources](http://SuddenValley.com/ResidentResources).

## Memorial Day Parade

Whatcom Memorial Parade, held from noon-3 p.m. May 27 at the intersection of Alabama and Cornwall streets in Bellingham is a non-political family event to proudly showcase Whatcom County's communities, including commercial entries, schools, fire/law enforcement and all branches of the armed services. For more information, visit [whatcommemorialdayparade.com](http://whatcommemorialdayparade.com).

## Pet of the MONTH

**This month's pet of the month is Max, submitted by Laura Jane Randall.**

This is Max. He is 13 years old but doesn't seem to know it. He has explored just about every trail around here and loves getting on them when he can. He is a bit slower these days and I'm not sure he is enjoying how much I don't let him do, but he is extremely loyal and my best hiking buddy! If you meet him on the trail sometimes he comes across as a grumpy old dog (I think that's when his arthritis is hitting him hard) or he checks you out for a treat and good back scratch.

**Do you have a pet of the month?** If you think that your pet is ready for prime time, please send a high resolution photo with your pet's name, your name, and a brief description to [communications@suddenvalley.com](mailto:communications@suddenvalley.com)

\* The Association's internal policy is to write off any member receivables that are 30 days past due as bad debts for internal financial statement purposes. As per SVCA policy, Management continues to pursue collection of these receivables via all avenues allowed by Washington State laws. In addition, the Association records and bills finance charges on receivables that are thirty days past due at 1% per month. At January 31, 2023, and December 31, 2022, the balances of receivables written off were \$667,224 and \$599,478, respectively.

\*\* Beginning with the 2020 year and audited financial statements, Accounting Standards Codification (ASC) 606 requires issued audited financial statements to reclassify unspent capital dues revenue, including applicable capital transfer fee revenues, as a contract liability balance (unearned revenue), which is then reversed out in future years when these collections are actually expended on capital related expenditures. This particular accounting standard change is only incorporated into the issued audited financial statements and is not factored into SVCA's internal monthly statements as it would obscure the reality of capital related collections for internal monthly presentation purposes. See SVCA's 2020 and 2021 audited financial statements (2021 represents the most recently issued audited statements), which fully incorporates ASC 606 and complies with Generally Accepted Accounting Principles (GAAP).
